

## Little House on the Prairie: Beads at the Indian Camp

*All that afternoon they hunted for beads in the dust of the Indian camp. Now and then Pa walked up to the edge of the hollow and looked toward home, then he came back and helped to hunt for more beads. They looked all the ground over carefully. (Chapter 14, Little House on the Prairie)*

Laura writes about 5 different colored beads she finds at the Indian Camp with Pa and Mary. What five colors of beads did she find?
