By the Shores of Silver Lake: Blind Challenge

When Mary loses her sight, she suddenly has to feel to identify things.

Have a teacher or parent choose 6-8 different items from around the house or classroom and place them in a box. With a blindfold on, how many can you identify?

1. List the items you were able to identify.

2. What made these items easy for you to identify?

3. List the items could you not identify.

4. What made these items harder to identify?
