

# Packing Your Covered Wagon Worksheet

Decide what you will pack for your trip. Remember it may take a year to purchase goods such as clothing or tools.

Do the math if you have more people or bring more than one item, then total them at the bottom of the worksheet.

| Tools               | Weight in Pounds | Your Packing List in Pounds |
|---------------------|------------------|-----------------------------|
| ax                  | 15               |                             |

Carefully think about the items on this list. Some items are very useful for their weight (such as a coffee grinder and a dutch oven) while others (such as an organ or piano) take up a huge portion of weight for the trip.
